

GATE – T3 Moviemaking

TASK:

To create a movie that advertises our school, that can be placed online for parents and students to view.

STEPS:

1. Establish criteria (Get Going)
 - a. Interview Mr Harris who will be the ultimate judge of the project
 - b. Identify features of advertisements
2. Planning
 - a. Storyboarding
 - i. Dialogue
 - ii. Scenes
 - iii. School aspects to be filmed
 - b. Delegation of roles
3. Recording (Oh wow!)
 - a. All group work on wiki
 - i. Process (GOLD)
 - ii. Resources
 - iii. Planning – storyboards
4. Groups?
 - a. Bradley, Fraser, Rafe, Benna, Jordan – FBBR & other Guy
 - b. Steph, sasha, Georgia, Ella, Alex – Spatchela
 - c. Angus, Simon, Anaru, Thomas – The People
5. Filming, Editing, reshoots etc (look Deeper)

Assessment:

1. The most important assessment is the feedback you get from Mr Harris. He will comment on both content and quality of filming.
 - a. Content: have you shown all aspects of our school & is it informative for new families.
 - b. Quality: is each clip well constructed – panning smooth, still camera, sound appropriate, mixture of types of shots (close up, medium & distance shots)
2. We will develop our assessment criteria in the Key Competencies (Relating to Others, Managing Self, Thinking and Participating and Contributing)
 - a. The first stage will be to select what we feel are important skills required to work on this project
 - b. Secondly we will mark ourselves as to how well we think we and the group demonstrated these skills
3. Web2 Use
 - a. See wiki editing rubric on front page of Goldminds wiki
